I am already a member and would like to join the tennis department.

I have taken note of the fact that if I withdraw from the association before the end of the calendar year, I am obliged by the statutes to pay the full annual contribution by the end of the withdrawal year. Withdrawal from the association must be made in writing to the association by mail. The parents (legal guardians) are liable for their child's contribution.

I agree with the storage of my personal data, last names, first names, date of birth, address, e-mail, telephone number, nationality and bank details in the IT-systems of the association and the partial disclosure of this information to the respective sports federations. Upon termination of the membership, the data will be deleted unless they must be kept for tax purposes. A transfer to third parties and parties outside the professional associations does not take place.

In the context of my participation in sports-related and social club events, honours, celebrations and birthdays, pictures and data are published and passed on by club publications (newspaper, Internet, homepage, social media). In connection with its sports operations, the club publishes personal data and photos of its members in its newspaper. Every member has the right within the scope of the legal regulations of the Federal Data Protection Act to information about the data stored with regard to his person, their recipients and the purpose of storage as well as to the correction, deletion or blocking of the data. Each member has the right to object to the processing of his/her personal data at any time.

Based on my activity as a player, I agree that audio-visual recordings may be produced for SpVgg 1904 Erlangen e.V. within the scope of my participation in soccer matches. Furthermore, I agree that the recordings may be broadcasted live on the Internet, on television or on other broadcasting and/or communication platforms (including social media), as well as in whole or in part, edited or unedited (including advertising) on the Internet, in particular on websites of sporttotal.tv gmbh and the club, but also on websites of third parties with whom sporttotal.tv gmbh cooperates, posted and made available worldwide and for a limited period of time. Distribution via other media is also possible. SpVgg 1904 Erlangen e.V. and/or sporttotal.tv gmbh or third parties cooperating with them are obliged to create the recordings, to market them or to publish and disseminate them.
